Dear Families,

The Galax First Baptist Church Preschool is registering children, ages two – four years of age for the 2026-2027 school year. Those families with children currently enrolled in our preschool and First Baptist Church family members are offered the opportunity to register at this time for the upcoming school year, beginning September 2026.

New families, with new enrollees, may visit www.fbcgalax.org, then, go to “Community” dropdown, choose “Preschool” and click the embedded link to register.

Registration will open to the public on February 1, 2026.

Four-year-old children must be toilet trained and be able to care for their personal needs to be enrolled in a class. We prefer that three-year-olds be toilet trained but will consider each situation and work with you as best we can.

The following classes will be offered:

Two-year-old class: (Child must be 2 y/o on or before September 30, 2026)

3 days - Monday, Tuesday, Wednesday \$280/month

4 days - Monday, Tuesday, Wednesday, Thursday. \$310/month

Three-year-old classes: (Child must be 3 y/o on or before September 30, 2026)

4 days - Monday Tuesday, Wednesday, Thursday \$310/month

Registration applications require a **non-refundable** \$75.00 fee payment; \$50.00 of this fee will be applied to September 2026 tuition. Payment may be made via our Procure online platform upon enrollment or may be mailed (or dropped off) to the church address above. Checks should be made payable to FBC Galax Preschool.

We welcome phone consultations and are happy to schedule after school visits to our preschool. Thank you for your interest in our program!

Blessings,

Lynn T. Frank, Director
